The Health Act 2008

You will carry out your duties in a way that maintains and promotes the principles and practice of infection prevention and control. You will comply with national standards, policies, guidelines and procedures. For further information, please speak with our Infection Control Specialist.

For clinical colleagues with direct patient contact, this will include (but is not limited to):

- compliance with clinical procedures and protocols, including uniform and dress code.
- the use of personal protective equipment.
- safe procedures for using aseptic techniques.
- safe disposal of sharps.

Please take due care at work, reporting any accidents, incidents or near misses to your line manager and record them on the Radar system.

Equal Opportunities

At Horder Healthcare, we are proud to champion and celebrate diversity, equity, inclusion and belonging in all areas of our business. We are committed to creating an environment of mutual respect where equal employment opportunities are available to all applicants without regard to protected characteristics by applicable law.

Safeguarding

You will be aware of the key issues in safeguarding children and vulnerable adults from significant and serious harm. Reporting safeguarding concerns to appropriate professionals and recording incidents accurately.

Confidentiality

You will make sure that no confidential information is disclosed about Horder Healthcare or its associated companies (including information about patients and colleagues) to any unauthorised person.

People Management

You have a responsibility to manage your team, ensuring safe staffing levels at all times. You should ensure all new team members are effectively inducted onto your department; making sure that mandatory training is complete and kept up to date. You should effectively manage your team members monitoring performance and absence, using the HR policies and procedures.
